## **2016/17 Presidents Report**

---

My second term as President has been as equally enjoyable, rewarding and fulfilling as my first. Two new members came onto the Executive for the 2016/2017 season: Dee Stadelmann as V.P. Youth Services and Graham Sherer as V.P. Rescue Services. Both embraced their new portfolios with great enthusiasm, vitality and a vision of what they wanted to achieve in them. Both have undeniably had a most successful year in their respective portfolios. Both Dee and Graham (Cuddles) fitted seamlessly into their roles as Executive members and this contributed to the Executive continuing to function without any transition issues appearing. These four people have been exceptional Executive Board members and have served our club extremely well over this season. It has been a lot of fun, an honour and a privilege to work with such a talented and dedicated group of people. Helen Clifton as Financial Controller and Christiana Mergan as Manager General Administration remained in those positions from last season and have continued on the extraordinary project they started at the beginning of the 2015/2016 season. That project was to rebuild and restructure the administrative and financial foundation and direction of our club into the future. This has now been largely achieved through their incredible efforts, both jointly and severally, and working closely with Fortunity Chartered Accountants, to achieve these hoped-for outcomes. They have helped improve and simplify the overall administration of the club into the future.

As President, and on behalf of all members of our club, I wish to specifically acknowledge and pay tribute to both Helen and Christiana (who are both patrolling members of this club and like the rest of us, volunteers) for the untold number of 'volunteer' hours, their own time (and that of their families) they have put in to help create a more improved administrative model for our club. Most club members would not be aware of their efforts in this regard as Helen and Christiana worked without fanfare or thought of acknowledgment. On behalf of all club members, thank you! It has been a great honour and privilege to have worked with you both over these last two years.

Another person I wish to acknowledge is our paid administrator Jacqui Donadel. She is another of those people who 'just get on with the job' without fuss or fanfare but without her, the administration of the club would almost cease. Jacqui is across all the portfolios and seemingly at the beck and call of just about everyone holding a position e.g. Trainers, Assessors, Patrol Captains, Executive Board etc. She is also our function manager and has some involvement in almost every fundraising activity involving the club e.g. our golf day, club fund raising functions, club social functions etc. As it was last season, it has been such a pleasure working with Jacqui.

A number of other projects involving the club have been put 'on hold', following the amalgamation of Wyong and Gosford Councils. We had been corresponding with Council in relation to the mezzanine extension, the cafe lease, liquor license, extent of some commercial use of function area of the club etc, but have had no response from Council. We are in much the same situation as most of the other clubs in the Central Coast Branch in relation to matters they have with Council. On behalf of our club, I wish to thank Chris Parker, CEO of Surf Life Saving Central Coast, who is taking these matters up with Council for TBSLSC and on behalf of the other clubs in relation to unresolved matters they have with Central Coast Council. It is hoped

that there may be some satisfactory resolution of these outstanding matters after discussions between Central Coast Branch and Central Coast Council.

Our patrols again all performed well during the season, patrolling our beach and protecting the community and visitors to this area. Training of new bronze members, and other awards, continued throughout the year. My congratulations to Cuddles, our trainers, assessors and facilitators for their excellent work in this area, ensuring that our training standards are maintained. Not only this, but they (our trainers/assessors and facilitators) also take their skills and experience onto their patrols which in turn allows them to share their knowledge and experience through scenarios with their patrols, and thus maintain high patrol standards.

Our Nippers and Rookies had another stellar year and congratulations to Dee, her Age Managers and other persons who assisted to make this such a great year for them.

Our special congratulations go to Chris Fillingham, Toowoona Bay Surf Clubs' first qualified Drone operator, and one of the initial group to be qualified in Australia.

Our BBQ team were again the social and culinary centerpiece for our nipper season and also one of the biggest single club fund raising contributors during the year. To our philosopher Chef Denis, and 'Our Lady of the Coin' Helen, and to their team, thank you for all you have done.

To Dee Stadelmann and her teams of helpers, thank you for instigating the various fundraising functions during the year.

One of the most exciting and innovative programs in which we became involved this year was the creation of 'Toowoona Bay Stingray Nippers' which is a modified nippers program for children with additional needs. We ran this program over four consecutive Sundays and hosted approximately 'Stingrays'. It was an outstanding success, both for the participants and their helpers. I understand we will be running with this program again next season. My thanks to Karen Hickmott for heading up this event and am pleased to advise she will be similarly involved next year.

I again extend my thanks and appreciation to our BUTTERCUPS, whom I regard as the club's 'front desk people' as they are in most cases the first people any visitor to our club or the Café is likely to meet should they come down to our club on any morning. As a result of these meetings, visitors are invariably left with a good impression of our club and from this we often finish up with new members. The Buttercups are involved at almost every level of club life and are representative of the feeling of community which exists within the club.

Like last year, this season has been no less busy. Herewith is a summary of some of those events which made up our 2016/2017 season: -

- Hosting two carnivals at our beach (Masters and Juniors).
- Our nippers competed at a number of carnivals, at home, Branch and State. Our Nippers Team performed most commendably.
- Our Masters competed at Carnivals at home, various other carnivals in the Central Coast and Hunter Branches, Branch, State and Aussies. I am proud to report that the 2017 Australian Titles at Kirra Beach in some very challenging conditions, our Masters team came a magnificent 11th in Australia! They were the highest placed team from the

Central Coast Branch at NSW Championships at Swansea Belmont, again in challenging conditions.

- We again hosted the Disabled Surfers fun day and BBQ.
- November 26<sup>th</sup> saw the successful running of the annual Entrance Swimming Club/Toowoomba Bay SLSC Ocean Swim. This was also a fund-raising event for both clubs.
- TBSLSC commenced this year at our beach (an earlier initiative by Avoca Beach SLSC at their beach) a program for nippers with special needs, and thus Toowoomba Bay Stingray Nippers was created.
- Again, we hosted, at our club for a week, a group of approximately 20 indigenous youth from Coonamble High School. This started last year and is now hopefully an annual event.
- Hosted and ran a beach safety workshop (through SLSNSW) at our beach for approximately 60 persons from the Chinese Community from the Hornsby metropolitan area. This is run for communities with cultural and language difficulties (C.A.L.D.). This is the second year we have run this very successful program and my thanks to Nicci Stephenson and her team for the professional manner in which the program was again presented. It was also gratifying to hear that the representative from the Chinese Community had specifically requested that this event be held at our beach.
- In August 2016 TBSLSC hosted a 'Greek Taverna' day for members of the local Greek Community and invited guests including local member Emma McBride.
- Toowoomba Bay CANS (a friendly swim, board and ski competition for eligible master competitors from any club, followed by SIPS) continued again this year and was again a great success. The event runs for most of the season each Friday afternoon. Thanks to Phil Raymont and team for running this event.
- A large contingent of TBSLSC members attended, in uniform, The ANZAC DAWN SERVICE at The Entrance Cenotaph. A large number of members also assisted The Entrance RSL who sought help for crowd marshals later in the day at the ANZAC March through The Entrance. Members' have been attending in uniform at this event for a number of years. It is a great community initiative and TBSLSC offers continued support The Entrance RSL for all the years to come. Thanks to Mick Cook and helpers for bringing it together.
- We held The Toowoomba Bay SLSC Annual Golf Day, 12th May 2017. It was a great day and financially it is our biggest fund raiser of year. Whilst the numbers were down, we still netted close to \$14,000.00. Thanks to all the volunteers who gave of their time leading up to the event and on the day of the event itself to make the day the success it was. Thank you to all the businesses that sponsored a hole and thank you to all the players.
- We are again getting ready to play our part in the LIGHTHOUSE 2 SKILLION COAST WALK in July 2017. This event was started by our club last year and was the brainchild of one of our member's, James Musgrave, who initially, with a small team of our club member's, evolved the concept, then designed and implemented this extraordinarily successful event in which the 15 Central Coast Clubs were the major recipients of the funds raised. On behalf of all 15 clubs, the other recipients, the participants and your community, thank you James and your team for a unique, innovative and successful community event.
- Plans are already underway for us to create a 'SENIORS COMPETITION SURF TEAM' to compete at Seniors' carnivals. We believe that this program will also assist in member retention of our young members. Thank you, Darryl Lennox, Graham Jackson and their team for taking on this exciting challenge.

I congratulate our Central Coast Branch on their continuing efforts on behalf of all our clubs, to further strengthen and improve what is already a strong, vibrant and progressive Branch.

To our club sponsors:

- Fortunity Chartered Accountants
- Express Lube
- Project Signage Group
- Trehy Ingold Neate
- Choices Flooring
- Long Jetty Dental
- The Greens, The Entrance
- Shelly Beach Service Centre
- Shop Naturally

Thank you for your generous and spontaneous support over the last 12 months and hope we can strengthen those relationships into the future for our mutual benefit. Without your ongoing support, we would find it extremely difficult to continue to provide lifesaving services to our community and to provide ongoing training for our members.

I would also like to thank all the major sponsors for their continued support of Surf Lifesaving on the Central coast, those sponsors being:

- Fortunity
- Newcastle Permanent Charitable Foundation
- Unilever/Streets
- Mingara
- 2GO and Sea FM
- Freemasons Central Coast
- Central Coast Council
- Clubs NSW
- Goodgear
- NBN Television
- Newslocal Express Advocate
- NSW Government
- SLS NSW and Australia
- Guardians of the Surf
- DHL
- Telstra and
- Dulux

I take this opportunity to again thank all members of the club for the way you have, as volunteers of our Toowoona Bay SLSC, served our community so well throughout the season. I also extend to you my thanks for the continued and generous support you have given to the Executive and myself throughout the season. I have been quite proud and honoured to have been afforded the opportunity to be President of this wonderful club.

Kind regards

**Chris Manning**

---

**Notes To The Financial Statements**  
**For The Financial Year Ended 30 April 2017**

**1. Summary of Significant Accounting Policies**

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act 2009, the Australian Charities and Not-for-profits Commission Act 2012, the Charitable Fundraising Act 1991 and associated regulations. The committee has determined that the association is not a reporting entity.

Toowoan Bay Surf Life Saving Club Incorporated is an association registered under the Associations Incorporations Act 2009 and domiciled in New South Wales.

No Australian Accounting Standards, Urgent Issues Group Consensus Views or other authoritative pronouncements of the Australian Accounting Standards Board have been applied in the preparation of this financial report.

The financial report is prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of this financial report.

**(a) Inventories**

Inventories are measured at the lower of cost and net realisable value.

**(b) Property, Plant and Equipment**

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation.

**Property**

Freehold land and buildings are measured on the cost basis.

**Plant and Equipment**

Plant and equipment are measured on the cost basis.

**Depreciation**

All fixed assets, excluding freehold land, are depreciated on a straight line and a Diminishing Value basis over their useful lives of the business.

**Statement by Members of the Committee**

In the Committee's opinion:

- (i) the incorporated association is not a reporting entity because there are no users dependent on general purpose financial statements. Accordingly, as described in note 1 to the financial statements, the attached special purpose financial statements have been prepared for the purposes of complying with the *Associations Incorporations Act 2009 (NSW)*, the *Australian Charities and Not-for-profits Commission Act 2012*, the *Charitable Fundraising Act 1991* and associated regulations;
- (ii) there are reasonable grounds to believe that the incorporated association will be able to pay its debts as and when they become due and payable;
- (iii) the financial statements give a true and fair view of all income and expenditure with respect to fundraising appeals;

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

  
Chris Manning (President)

  
Helen Clifton (Financial Controller)

Dated: 22/06/2017

## **Independent Auditor's Report to the Members of Toowoomba Bay Surf Life Saving Club Incorporated**

---

### **Report on the Financial Report**

#### **Opinion**

We have audited the accompanying financial report of Toowoomba Bay Surf Life Saving Club Inc. (the association), which comprises the statement of financial position as at 30 April 2017, statement of profit or loss & other comprehensive income and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the committee Members' declaration.

In our opinion the financial report of Toowoomba Bay Surf Life Saving Club Inc. is in accordance with the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- (a) giving a true and fair view of the Association's financial position as at 30 April 2017 and of its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards - Reduced Disclosure Requirements and the *Australian Charities and Not-for-profits Commission Regulation 2013*.
- (c) the Charitable Fundraising Act 1991, including
  - (i) the financial report shows a true and fair view of the financial result of fundraising appeals for the year to which they relate; and
  - (ii) the financial report and associated records have been properly kept during the year in accordance with this Act and the regulations; and
  - (i) money received as a result of fundraising appeals conducted during the year has been properly accounted for and applied in accordance with this Act and the regulations; and
  - (ii) Toowoomba Bay Surf Life Saving Club Inc. is solvent, as it is able to pay its debts as and when they fall due.

#### **Emphasis of Matter**

The financial report of Toowoomba Bay Surf Life Saving Club Incorporated is a special purpose financial report that has been prepared in accordance with the accounting policies described in Note 1 to the financial report.

#### **Other Information**

The Committee Members are responsible for the other information. The other information comprises the information included in the Association's annual report for the year ended 30 April 2017, but does not include the financial report or our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

## **Independent Auditor's Report to the Members of Toowoomba Bay Surf Life Saving Club Incorporated**

---

### **Other Information Continued ...**

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears materially misstated.

If, based on the work performed, we conclude that there is a material misstatement of this other information, we are required to report on this fact. We have nothing to report in this regard.

### **Committee Members' Responsibility for the Financial Report**

The Committee Members of the Association are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Australian Charities and Not-for-profits Commission Act 2012* and for such internal control as the committee members determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report the Committee Members are responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable matters related to going concern and using the going concern basis of accounting unless the Committee Members either intends to liquidate or to cease operations, or has no realistic alternative but to do so.

The Committee Members are responsible for overseeing the Association's financial reporting process.

### **Auditor's Responsibility for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from Fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal controls.
- Obtain an understanding of internal controls relevant to the audit in order to design the audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.

## Independent Auditor's Report to the Members of Toowoomba Bay Surf Life Saving Club Incorporated

---

### Auditor's Responsibility for the Audit of the Financial Report Continued ...

- Conclude on the appropriateness of the Association's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any deficiencies in internal control that we identify during our audit.

EXTRA FAMILY MEMBER		\$50.00

## Fundraising and Grants 2016/2017

Event	Net Income
L2S Coastal Walk	\$4,105.95
Bunnings BBQ November	\$2,148.50
Bunnings BBQ December	\$2,335.30
Sundry Donations	\$2,799.25
Golf Day 2017	\$14,210.28
Christmas in July	\$812.00
Greek Taverna Afternoon	\$817.63
Chinese Dinner	\$1,194.14
Trivia Night	\$2,147.35
Ocean Swim	\$2,500.00
Nippers BBQ	\$7,080.28
Pie Night	\$532.37
<b>Grand Total</b>	<b>40,683.05</b>

Thank you to everyone involved with fundraising this year, from Dee and her Bunnings BBQ's, Masters and their many fundraising events, a combined (Juniors. Seniors and Masters) Trivia night that had the hall packed to the rafters, some cultural evenings and the ever present Nipper BBQ.

The Toowoomba Bay Masters "Chinese Dinner" fundraiser devised by Mei Ling Venning was a three course sit down dinner for fifty guests and the organization, preparation and planning was exhaustive. Much thanks to Mei Ling, Bob Venning, Jilly Merrett and Wendy McNamara for their planning and execution, Brett and Eve Harrison for endless help, Front of House meet and greet and raffle ticket sales by Bev and Dean. Finally thanks to Christie and Denis for manning the bar.

July 2016 saw the inaugural Lighthouse 2 Skillion Coastal Walk, which benefited not only each of the 15 Surf Clubs on the Central Coast, but also Coast Shelter and Westpac Rescue Helicopter. We thank James Musgrave for his ingenuity and the money from this event has gone to purchasing rescue equipment.

Thank you to the organizing committee of the Toowoomba Bay Ocean Swim for another much-appreciated donation of \$2,500.00, again going towards assisting purchase of and maintaining rescue equipment and services.

Again, our Annual Golf Day was our biggest fundraiser and another success in 2017 (see report following).

Our Grants team were successful in a grant from Wyong Leagues Club Group where we received \$10,000.00 going towards purchase equipment for the club.

NSW Government provided funding to SLSNSW to allocate funds of \$5,380.00 to TBSLSC as part of the Surf Club Facility Grant Funding in 2015/2016 to address mandatory and statutory tasks identified by the SLSC Audit.

Thank you to the Federal Government for the Beach Safety Equipment Funding which directed \$5,000.00 to each surf club which saw us able to purchase new manikins, training defibrillators and a new live defibrillator.

Thank you to Central Coast Council for provision of \$12,100.00 for their continued support in maintenance and operations of the Club.

Along with the generous business and individuals who continue to support Toowoona Bay SLSC by way of sponsorship, donations, Nipper Board Sponsorship and our Annual Golf Day, thanks need to go to the following partners of Surf Life Saving for their significant contributions to not only our Club, but Surf Life Saving as a whole:

- ✓ DHL for their significant uniform sponsorship, enabling uniforms to be provided free of charge to patrolling lifesavers.
- ✓ Telstra for the support across the SMS system that we utilize through SurfCom and our communication network (Surfguard).
- ✓ Dulux for providing additional paint to clubs Australia wide.
- ✓ Clubs NSW for their support of the NSW SLS Championships held at Blacksmiths Beach (Swansea/Belmont).
- ✓ Clubs NSW for their funding through ClubGRANTS.

Surf Life Saving NSW and the Surf Life Saving Foundation must be thanked for their fundraising efforts. Many of you may not be aware, but Surf NSW and the Surf Life Saving Foundation conduct fundraising on behalf of ALL SLS CLUBS to enable members, particularly patrolling members, to focus their energy and resources on lifesaving activities – their number one mission. The establishment of the Surf Life Saving Foundation has also lessened the burden of Clubs situation in smaller, regional areas of NSW that don't have the population to support Club based fundraising activities. Conducting state-wide fundraising and distributing it to all Surf Life Saving Clubs and Branches is a way of ensuring greater equity of funding across the state. The \$5,801.00 given to Toowoona Bay SLSC through Guardians of the Surf fundraising programs (and by being compliant 2015/2016) is being spent on equipment and educational resources for our members, most importantly our Nippers who are the next generation of lifesavers. With that in mind, the greater public must be thanked for buying raffle tickets, flipping a coin into the tin at the Café, a gold coin donation for a Saturday or Sunday paper, and purchasing a scrumptious breakfast from our famous Sunday morning Nipper BBQ.

Frank and Christine Cook, thank you for your continued and substantial generosity in supporting Toowoona Bay SLSC in all facets of Club life.

Thanks must go to the NSW Government's Department of Justice for ongoing funding of state-wide operations, which benefit all members through its co-operative agreement. The Emergency Volunteer Support Scheme (EVSS), funded through the National Partnership Agreement on Natural Disaster Resilience between the NSW and Commonwealth for equipment received to

ensure compliance with the new units of competency for Apply Advanced Resuscitation Techniques (HLTAID007).

Grants Co-Ordinators – Estelle Wicks and Christiana Mergan

Fund Raising Event Co-Ordinators:

- Dee Stadelmann – Bunnings BBQ
- Graham Jackson and Dee Stadelmann – Trivia Night
- Toowoomba Bay Masters – Pie Night
- Mei Ling Venning – Chinese Dinner
- Chris Manning/Phil Raymont – Greek Taverna
- Toowoomba Bay Masters – Christmas in July
- The Toowoomba Bay BBQ Crew – Sunday Nippers BBQ's

Australian Government.

## TOOWOON BAY SLSC ANNUAL GOLF DAY 12 May 2017

---

After the record result from last year's golf day we deliberately put a cap of 144 players on our annual golf day this year to ensure the efficient running of the game. As it turned out we only had 91 registered players on the day and that naturally put a reduction on the financial result we were able to achieve. However, in an effort to get a better return on the items donated by our various sponsors we implemented an online silent auction system this year. This meant that everyone could be aware of the items available for purchase prior to the event and people not able to physically attend could still participate in the auction. This use of technology was a new initiative for the club and while adoption was slow, the interactivity and online updating of the result was an entertaining part of the afternoon. Now that people have seen how the system works I am sure that we will be able to get a bigger response and broader buy-in in future years. Having said that we were able to raise just over \$4,000 from this silent auction and were able to net a profit of \$14,500 in total.

An event such as this required a lot of hard work and long hours by a lot of dedicated people (all volunteers and mostly members of our club) working together to plan the event and run the day.

Special thanks to Jacqui Donadel, Cheryl Timmer, Estelle Wicks and Chris Manning who all contributed so much during the planning and registration phase as well as on the day itself. Also to Graham McMullen who ran the gambling hole, MC'd the afternoon including the live auction and raffle draws; Phil Raymont who ran the putting competition; Fergus Taylor for devising some particularly evil holes; Denis Hannigan and his BBQ team for preparing breakfast for the players, Jill, Walter, Rod and Bruce for taking the registrations on the day; Wendy, Joy, Barbara, Jenny, and Estelle for selling raffle tickets and to Mick Cook for sourcing a number of donations of items such as the stubby holders before disappearing off to hospital for major heart surgery. (Many apologies to anyone I may have inadvertently overlooked to mention!)

We had a great day and we look forward to building on the success for next year.

***Karen Hickmott***

## Vice President Youth Services/JAC – 2016/2017 Season

---

What a season, I felt so proud to be a part of putting together another successful season not only with our nippers, but throughout the entire club.

This season we had the fourth largest number of Nippers register at Toowoomba of the 15 clubs on the Central Coast and the third largest number of Cadets. We are hoping our numbers grow yet again next season.

Over the season we have participated in not only carnivals but we also had members represent Toowoomba Bay in events such as the Pool Challenge at Mingara, Central Coast Mariners 'Surf Life Saving Day', Bunnings BBQ's to fundraise for our club and much more.

Our Rookies have been also busy taking part in representing Toowoomba Bay in the Rookie Challenge, Pizza Night at Killcare SLSC and the annual Ducks for Bucks. To finish off the season, our Rookies and Nippers attended the ANZAC Dawn Service and March at The Entrance. Two of our Rookies had the honour of being nominated for Young Life Saver of the Year – Congratulations to Georgia-Leigh Meikle and Samuel Millard and we are so proud of your achievements throughout the season. So, we thank you all for representing Toowoomba Bay, our Club is very proud of you all.

I'd like to congratulate all our Nippers who competed and represented our club at carnivals, including Branch and State Championships, a special shout out to our State Team who gave it their all in some pretty awful conditions. Thanks to Graham Jackson for assisting Az to train his beach relay girls to prepare for State Championships and another massive thank you to AZ and our amazing carnival crew (you know who you are and I'm looking forward to another couple of great weekends camping with you all!).

To my Age Managers, a big shout out to your guys for your dedication to our club and nippers giving half of your year to teach, guide and mentor our nippers throughout another season. Much appreciated and I'll see you up here a bit later.

Congratulations to our new Rookies and a special shout out to all our under 14's who have now finished nippers, we hope to see you around the club or on patrol, or maybe come and visit us and do some water safety or cook a few sausages on the BBQ with Helen and Denis.

I would like to say a few thank you's to so many members who supported me throughout the season:

2016/17 Age Managers	Under 6's	Lauren Owen
	Under 7's	Greg Frost (and assisted by Anastazia Dunn)
	Under 8's	Chris Owen
	Under 9's	Mick Hogan and Daniel Cusack
	Under 10's	Matt Allen
	Under 11's	Shane Armstrong

Under 12's	Aaron Suprain and Sean Neville-Smith
Under 13's	David Roberts
Under 14's	Robbie Brock Fenton, Di and Darryl Lennox
Under 15-17	Robbie Brock Fenton, Di and Darryl Lennox

- Our fabulous Age Managers who volunteer their time and knowledge to assure our Nippers enjoy a fun, safe atmosphere while teaching valuable skills.
- My fellow Executive and Committee members for your support throughout my first season in this sometimes-challenging role.
- Our amazing team of trainers and assessors, Toowoona Bay is lucky to have you all and we appreciate your time and knowledge that you willingly share with our club and the community.
- Our club officials who turn up to every carnival and assist in the running of events throughout carnivals.
- Our water safety teams, thank you for turning up on a weekly basis to keep our Nippers safe.
- Our BBQ team who serve up breakfasts and lunches for our members every Sunday during our Nippers season, raising much appreciated money for our Club.
- Our Uniform Ladies for kitting up our excited new nippers ready for the season.
- To Mick Cook (Cookie), thank you for all your help with organising Santa to visit our Nippers and co-ordinating such events for our members such as the ANZAC Day service and march.
- I would also like to thank our parents for all your assistance throughout the season, we could not do it without your ongoing support and assistance.

As most of you know, we finished the 2015-2016 season winning Club of the Year, competing against our fellow Central Coast Branch Clubs (15 in total). Well this season we stayed up in the top three and placed second overall, which again is a massive honour to receive this award. Congratulations to all members of Toowoona Bay!

Looking forward to another brilliant season and see you all in September.  
Cheers

## Rookies 2016/2017

---

We had a larger group of rookies this season with 20 under 14's obtaining their SRC with a further 14 trainee Rookies in the under 13's.

Throughout the season there were plenty of activities to keep the rookies busy representing Toowoona Bay SLSC: -

- Raising of the Flags (at Killcare SLSC)
- Rookie Disco (At North Avoca SLSC)
- Youth Development Camp (at Broken Bay Sport and Rec Camp)
- Junior Lifesaver of the Year (represented by Georgia-Leigh Meikle and Sam Millard). Whilst they were not the eventual winners they conducted themselves extremely well. A huge thanks to Lyn Waters for the coaching and guidance provided to prepare Georgia-Leigh and Sam for this daunting event.
- Rookie Challenge (at Terrigal SLSC) where the Toowoona Bay team (Sam Millard, Chelsea Nink, Abbey Proctor, Jarryd Goodman, Flynn Sharman & Nelson D'Bras) came equal 3rd – a fantastic result which came with a prize of two new rescue tubes that were formerly presented to the Club at the Junior Nippers presentation. Thanks again to Lyn Waters who provided training and guidance for this event to our awesome Rookie team.
- Ducks for Bucks supporting SLSCC in their major annual fund raising event. The weather was not so good but a large contingent of rookies and parents braved the rain selling lots of tickets to the public.
- Water safety at junior nipper carnivals. Toowoona Bay SLSC rookies were on hand to provide water safety at junior carnivals this season– providing vital resources that allowed our nippers to compete in these events.

In addition to the above events the rookies completed a huge number of patrol hours on our beach honing their recently acquired rescue services skills.

Given the large number of Rookies in both age groups it was a hard task to select one overall "Rookie of the Year". However, based on participation at the designated Rookie events together with SRC trainer and assessor feedback the final winners were: -

- Georgia-Leigh Meikle (U14)
- Sam Millard (U14)

Georgia-Leigh Meikle was also Toowoomba Bay's nomination at this year's Central Coast Surf Lifesaving Awards of Excellence as the Central Coast Rookie of the Year on the basis of her significant contribution to our surf club in season 2016/17, including personal responsibility for raising funds for Toowoomba Bay by selling over 140 Duck's for Bucks tickets. Whilst not successful with this nomination Georgia is to be congratulated for her commitment displayed in season 2016/17.

Thank you to all the patrol captains, bronze qualified patrol members, trainers and assessors that have supported our Rookies in 2016/2017. In particular I would like to acknowledge Lyn Waters and Nikki Stephenson for training the SRC group and also to Bil Kenzie for assessing the SRC group. Also, a further special mention to Lyn Waters for the support and guidance provided to our JLOTY nominees and rookie challenge team.

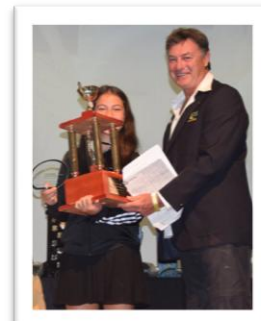

I would also like to thank the many parents who have supported our rookies by making sure that they were able to participate in the many activities that this group have taken place all over the central coast this season.

On a final note, I advise that after 3 years in the role I will not be continuing as Rookie Co-ordinator in season 2017/18. My own children have now progressed beyond the ranks of rookies and I hope someone else will now step into the fray to manage this very rewarding role.

**Doug Millard**

## Vigilance and Service

### Vice President – Rescue Services 2016/17

Another season has passed with open beach, lovely sunny days, clean water and great weekends. What a fantastic effort by all patrolling members, we have survived another season.

I would like to thank all our patrolling and Club members for their efforts and hard work throughout the season, for volunteering their time to patrol our beaches for the safety and wellbeing of the community. A special thanks to all our Patrol Captains and Bronzies as they take on the responsibility and duties with due diligence and professionalism, from opening to closing, which makes for a long day and a big responsibility.

Overall, our club members have developed and maintained a high level of skill and it has shown through the year as everything appeared to run smoothly both on and off the beach.

So, next season do your Skills Maintenance through the learning platform in your Members Portal – <https://portal.sls.com.au>.

A VERY BIG thank you goes out to the facilitators, assessors and trainers for a massive job in getting everyone to up-skill this season with more ARTC, Silver Medallion IRB Drivers and IRB Crew and to our new Bronze/SRC members I, and the club membership, appreciate every hour you have sacrificed for surf lifesaving. It's been a great honour being Club Captain for this season and for this great Club, Toowoomba Bay SLSC.

#### 2016/2017 Season Statistics

- Total TBSLSC patrolling members patrol hours - **7,775.75** hours
- Total preventative actions by TBSLSC patrolling members - **125**
- Total rescues performed by TBSLSC patrolling members – **20**
- Total first aids performed by TBSLSC patrolling members - **94**

#### Patrols for 2016/2017 Season

It would be remiss of me not to thank all our indefatigable Patrol Captains and Vice Captains who take their responsibilities and duties with the utmost diligence and professionalism. Each one of you makes my job easier and you ensure we can perform our patrols to the best of our abilities and in meeting with quota.

- Patrol 1 – Tri Patrol – P C Brianna Coyte
- Patrol 2 – The Young Ones – P C Andrew Porter
- Patrol 3 – Gourmet – P C Chris Fillingham
- Patrol 4 – Top Team – P C John Vergara
- Patrol 5 – Masters – P C Mick Cook
- Patrol 6 – Chief Instructors P C Bil Kensey LM
- Patrol 7 – Boatee – P C Mark Shearan LM
- Patrol 8 – Ski Patrol – P C Ross Blowers LM

Regards

***Graham Sherer aka Cuddles***

give back to  
the  
community?”**

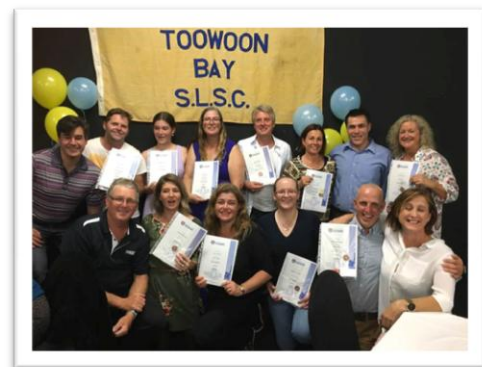

## **Chief Instructors Report – 2016/2017**

Training and education has been identified at Branch, State and National levels to be one of the core areas which SLS is about. Without training and education, patrolling members would not have the skills which are required in order to perform our life saving duties

This has been a year of great success. The success has been possible thanks to our trainers and assessors who continue to volunteer their time. We are lucky to have so many of our members who have stepped up to take on these roles of: trainers, assessors, mentors and facilitators. However, we must continue to get new and younger members stepping up to take on the roles if we are to be sustainable.

We should not forget that the training and education also extends to the development of our greatest asset – our children. Junior training and educational development takes great importance with our Club, as our children will one day be the next generation of lifesavers.

Putting together the courses takes a great deal of time and coordination. We endeavored to put out a calendar which indicated to all (trainer's assessors and candidates) when Bronze and ATRC course would be held. This also ensured the booking of the Hall didn't interrupt our training. This was done in the hope of ensuring that trainers and assessors knew well in advance when they would be called upon. This system was only partially taken up and as a result there were a number of times that courses ran out of sync. The whole idea behind this process was to make it easier for everyone.

The following is a comparison break down of the statistical data.

Seasons	SRC	Bronze	IRBD	Crew	ARTC	SMBBM
2015/16	12	31	5	9	5	1
2016/17	21	25	5	0	26	3

Our current standing of Proficient Awards is as follows

Seasons	Bronze	IRBD	Crew	Crew only	ARTC	SMBBM
2016/17	148	41	50	9	20	42

To our trainers, assessors, and facilitators thank you for without them we simply could not do it. These all give their time and expertise to the club and for that we should all be very grateful

I wish Toowoomb Bay all the best for the 2017- 18 season and trust that those that take on the leadership roles in the future remember what surf lifesaving is all about:

***Bil Kensey***

Chief Instructor 2016/2017

## IRB Captains Report 2016-2017

Wow, the flags have come down now, the season has gone by so quickly!

I would like to thank all the IRB Drivers and crews who did training and performed rescues this season, a job well done!

This year we have two new names to go on the Turtle Award – Nicci Stephenson and Leslie Dubery. Well done girls!

IRB training has only just recently started again, traditionally run in the early off season, so if you would like to become a crew person and driver, contact me – Graham Sherer AKA Cuddles or put your name on the list on the notice board downstairs in the shed towards the end of next season. I am always meandering around the club fixing and refueling IRB's and equipment, checking on radios and filling in on patrols where necessary.

I would like to thank the trainers and assessors for giving up their time for the club.

Once again, a big thank you, so until next season, keep the flags up and be ready.

See you all next season!

***Graham Sherer aka Cuddles***

IRB Captain 2016/2017

## Uniform Shop Report 16/17

The uniform staff would personally like to thank everyone that helped with the Uniform Shop during the 2016 – 2017 season, your help was greatly appreciated.

The new systems we introduced re uniform sales recording, weekly stock sheets, and organization of the stock in the uniform shop have been a huge success and saved a lot of time.

This has been our third and final year as Uniform Ladies and due to other commitments, we have now decided to pass the baton to new volunteers.

If you know anyone that would like to take the reins please speak to the committee.

Kind Regards

***Joy, Barb, & Estelle***

Retiring Uniform Shop Volunteers.

## Function Room Report 2016/2017

A slower year than last year, but still eventful and seeing a few more corporate bookings.

Feedback from all our clients has been good. So good that Toowoomba Bay SLSC was nominated for and won Central Coast Brides Choice Awards – Wedding Venue Surf Clubs, beating Killcare and Avoca. We are still sitting in the niche market being BYO, right on the beach and a small venue (bespoke). Allowing clients to organize their own catering also proves an advantage. Plans are underway to get our full license however. This I can only see as a positive as it will allow club events more integrated with the greater public, especially in Summer.

Full day hire is still \$1,800.00 with cleaning charged at \$220.00 and security at \$180.00. Hourly rate has remained at \$132.00/hour inc GST, with a minimum of six hour. This option suits our ever-increasing popularity as a venue for engagement parties. We had a good cross section of events from low key weddings, 1<sup>st</sup> birthday celebrations, 60<sup>th</sup>s and family reunions.

The hall needs a paint job to freshen it up, a few dints in the walls filled, some lights fixed, the louvers cleaned and the floor refinished, some of which Central Coast Council has put its hand up for but I won't hold my breath! Council has however been in, after repeated requests, to repair roof corrosion which led to the water damage sustained in east coast lows last year. Fridges and cook top/oven upgrades will need to be addressed and I believe a grant has been sourced for some of this. We also now have a Galabid [www.galabid.com/twoongolf/](http://www.galabid.com/twoongolf/) which allows the generous among us to purchase equipment, including ovens and fridges, for the club.

I would like to thank Shane my willing window washer, live in security guard, expeditious party ceaser and silencer of my many function fears. Thanks also to Brett and Tina for making sure that bar staffing requirements are performed with professionalism, humour, and just the right

amount of cunuing. Thank you again to my cleaning team Grace and Raul, always willing and able.

Bookings from July onwards are steady, and I'm getting more and more enquiries for bookings in 2018. Toowoona Bay SLSC Function Hall also has a Facebook page where I upload pictures of past weddings and events. And I've learned about #, it's all proving quite useful!

Thanks to the Board and all the members for your continued support.

Kind regards

**Jacqui Donadel**

fun!

## Toowoomba Bay Masters – Season 2016/17

The 2016-2017 season is by far the most rewarding season I've had the pleasure to lead.

Our members are getting bigger and our results are getting better. Our team harmony is the envy of all the other Clubs. It's great to see a blend of ages coming through as well and pushing us all harder to get those results we work so hard to achieve.

We had some stunning performances by our teams throughout the season and with the introduction of the Female 170 years Surf Team, Female 230 years Beach Relay and Female Double Ski events, we saw some instant results with medals and placings in all three events.

We also had some outstanding results throughout the year by our individual athletes at local, State and National level.

At SLSCC Branch Championships, Toowoomba Bay Masters finished **4<sup>th</sup>** overall.

At SLS NSW Championships, Toowoomba Bay Masters finished **7<sup>th</sup>** overall.

At Australian Championships, Toowoomba Bay Masters finished **11<sup>th</sup>** overall, out of 171 Clubs and sixth best surf club in the state AND the first out of the Central Coast Clubs!

I would like to thank everybody that's helped me throughout the year. Also the Committee, our officials and the Masters Sub Committee.

**Graham Jackson**

Masters Manager 16/17

## Toowoona Bay Masters Training (Aquatic) and CANS

---

The second year of CANS was extremely successful from both a coaching/training perspective and the social side.

The distance the cans were set out was gradually increased during the season to reflect the distances at competitions. The improvement in all competitors was dramatic and this can be reflected in carnival performances.

The social side was a success with not only cans competitors coming to SIPS, but many club members who could not get to CANS coming to socialize on a Friday afternoon.

I would like to thank all those members who assisted in the running of CANS when I was unable to attend. Also, Paul and Ken from outside our club whose advice to members was invaluable. We did start relays at the end of events this year and Susan Taylor was always in the winning relay.... Something to note for next year.

### 2017 results:

Swim Champion – Robbie MacDougall

Board Champion – Michelle Jackson

And for the second year Ski Champion – Peter Pracy

See you all next season and keep up your training over winter.

## Toowoomba Bay Ocean Swim 2016

Proudly hosted by  
Toowoomba Bay Surf Life Saving Club  
The Entrance Amateur Swimming Club

P. O. Box 75  
The Entrance NSW 2261

20 February 2017

To the Board of Management &  
Members  
The Entrance Amateur Swim Club &  
Toowoomba Bay SLSC

The Toowoomba Bay Ocean Swim 2016 was conducted on 26<sup>th</sup> November. Typically, for the Toowoomba Bay Ocean Swim, the weather brought early morning showers that unfortunately impacts on the numbers, reducing down participants but overall the event was still a success. The event drew over 225 entrants across all three swim legs with entrants in junior (8 years) to seniors (70 years) categories.

The event held the annual running of the John McNamara Memorial Open 400m. There was also a 400m Junior, a 1Km and 2km event.

This year the event threw up a greater challenge to participants in the 1km event. Whilst we, the Organizing Committee, were aware of the outgoing tide we could not accurately determine the impact and so some participants swam into the run out tide and some breaking waves. The result to some participants was a more challenging swim and a few bumps, bruises and scratches from that northern leg of the course. Ocean swimming is a challenging event but the T.B.O.S. has the reputation of an easier, gentle, family focused "fun" event which is a reputation which we should all try to maintain.

In debrief of the event we recognize that a possible changing of the course could/would have reduced some of the discomfort to participants. However, the majority of feedback suggested that there could be more direction to assist participants around the course. We are responding to this by applying for grants to purchase more turning buoys which, at a cost of around \$1000.00 for each (inflatable buoy, chains, ropes, anchors and fittings), is an enormous drain on the Ocean Swim budget.

We are also responding by introducing a designated Water Safety officer to work with the Patrol Captain and Race Referee. The position is in the recruitment of Bronze Medallion and SRC holders and the rostering of people and the skills they have to support participants around each swim leg. The event has had a drop in the water safety numbers of late with too few being asked to do too much.

I will take this opportunity, which I also verbalized at a recent General Meeting, to request that those of us who hold the required skills assist, even if for only one of the events, with some form of water safety as this event not only raises funds for OUR club but also showcases our community and the high level of skills and knowledge our active members hold. There can never be too many IRB crews, board paddlers, tube swimmers or shoreline observers.

Whilst the faces of the committee may change, the ideal does not, and that it to raise much needed funds for the host clubs The Entrance Amateur Swim Club and the Toowoona Bay Surf Life Saving Club.

All of the 2016 ocean swim committee, and members of the host clubs, have once again combined to put on a tremendous event that contributes to community engagement and a healthy lifestyle and also creates awareness of the host clubs and fosters the ideals that the clubs hold.

It is with great pride that the 2016 Organizing committee presents to TEASC & TBSLSC a disbursement cheque to the value of \$2500.00 as well as disbursing a cheque for \$400.00 to the Disabled Surfers Assoc. Central Coast Branch.

On behalf of the 2016 Organizing committee I take this opportunity to pass on our sincere appreciation to both the TEASC & TBSLSC Board of Management and the members who have assisted us greatly on the day. Without your support, the event doesn't proceed. The level of administration, water safety, first aid and logistics is of the highest quality so much so that much of the positive feedback centered around those areas.

Finally, the 2017 Toowoona Bay Ocean Swim is scheduled for 25th November 2017. The Committee meets every third Monday of the month and all are welcome. The event is growing so all help is good help. Please contact Greg on 0414 877 672 if you would like to participate.

Yours faithfully

**Greg Owen**

On behalf of the 2016 T.B.O.S. Organising committee

Event breakdown (please note this is approximates only, actual figures with TBOS documentation)

Expenditure	Income (incl. sponsorship, fundraising, entry fees, etc)
\$8,885.00	\$15,500.00
Disbursement \$5,400.00	
2017 Operating funds \$1200.00	

## **Lifesaving Awards 2016/2017**

---

### **10 Year National Patrol Service Award**

Stephen Angel, Donna Egger, Mark Everingham and Peter Pracy

### **15 Year National Patrol Service Award**

Geoffrey Grice, Greg McMahon and Robert Walker

### **20 Year National Patrol Service Award**

William Kensey

### **Advanced Resuscitation Techniques (AID)**

Karen Hickmott, Christine Laing, Darryl Lennox, Robbie MacDougall, Zoe Nink, Graham Sherer and Sidney Tonkin

### **Assessor Bronze Medallion**

Christopher Manning

### **Basic Emergency Care**
